A major hardware donation within IBM’s Shared University Research (SUR) Grant Programme is handed over to the database research group of Prof. Hans-Jörg Schek, ETH, Computer Science Department. It will boost their hyperdatabase research area and strengthen the collaboration with the IBM development laboratory in Böblingen, Germany.

Date: 1.12.2003
Begin 13.30, ETH Zurich, Main Building, HG E42 Pallmannzimmer
Keynote Session

Prof. Olaf Küber, President of ETH Zurich
ETH Zurich

Hans Ulrich Märki, General Manager IBM Europe, Middle East and Africa, Paris
Sources of Competitive Advantage

Prof. Friedemann Mattern, Department of Computer Science, ETH Zurich
The Computer Science Department at ETH Zürich
and Joint Research with Industry

Dr. Johannes Windeln, IBM Director, University Relations Central Region, Mainz
IBM Programs, University Relations & Cooperations

Coffee Break

Technical Session I

Prof. Frank Leymann, IBM Distinguished Engineer, IBM Software Group, Böblingen
Web Services and Business Processes

Prof. Hans-Jörg Schek, Computer Science Department ETH Zurich and UMIT Innsbruck
The Hyperdatabase Vision and Realization

Coffee Break

Technical Session II

Dr. Roger Weber, Computer Science Department, ETH Zurich
ETH World, Intelligent Search and Coordination - OSIRIS, ISIS

Prof. Heiko Schuldt, University of Health Informatics and Technology, Innsbruck
Transactional Service Processes in OSIRIS

Assistants and Master Thesis Students
Short Presentations and Demonstrations

Prof. Hans-Jörg Schek, Computer Science Department ETH Zurich and UMIT Innsbruck
Wrap up

Apero and Poster Session
Persons contributing to the hyperdatabase project (since 2000)

Members of the DBS Group

Kai Jauslin
Michael Mlivoncic
André Naef
Hans-Jörg Schek
Heiko Schuldt
Christoph Schuler
Can Türker
Roger Weber

Students and Internships

Basil Achermann           Dijana Micijevic
Pascal von Arx             Thomas Moscibroda
Patrick Bichler           Sven Müller
Stefan Bollmann           Patrick Näf
Esther Burgherr           Patrick Neukomm
Jerôme Colombié           Hanspeter Purtschert
Christof Dornbierer       Pascal von Rickenbach
Tom Eicher                Claudia Saupper
Daniel Hasler             Silvan Saxer
Michel Hänggi             Marc Schweickardt
Ivan Heutschi             Jitesh Sharma
Andreas Holzer            Philipp Sieber
Christoph Hunkeler        Simon Spalinger
Kai Jauslin               Ana Stojanovic
Sabine Keuser             Kuno Stöckli
Himanshu Lal              Wai Gen Yee
Antonino Leanza           Hao Zhou
Thomas Mazhuancherry
Martin Meier
